

Southern Nevada Off Road Enthusiasts
General Membership Meeting Minutes

Tuesday, February 12th, 2018
Dean's Place-Las Vegas, NV

- I. **CALL TO ORDER**: at 7:00PM by Kenny Freeman
- II. **GUEST SPEAKER**: New Members: **The Cook Family**
- III. **POINTS FUND**: No Treasurer's Report
- IV. **MINUTES**: **APPROVED**
- V. **TREASURER'S REPORT**: No Treasurer's Report

- VI. **COMMITTEE REPORTS**:

SNORE 250

- Need someone for Checkpoint 4, just off Prison Rd towards the corral. Easy to get to.
- Track will need more marking. Kenny and Hank will go back out on the course to add.
- Hotel was happy with our turnout for the SNORE BBQ. Please check out the SNORE exhibit in the Off-Road Hall of Fame in the Terrible's Casino.
- Speed Vegas will be allowed to run on Friday, be aware for those course marking
- Kenny Freeman picks up the permit tomorrow

BATTLE AT PRIMM

- Daylight about 7am, run to about 6pm.
- Powder Puff heat (limited & unlimited together)
- Brent King put up \$1,000 – \$500 1st place to Limited and \$500 1st in Unlimited - PP
- Track is close to last years, minor changes
- BLM is on board, permit approximately 2 weeks in advance
- Need help running water trucks and doing dirt work the weekend before (CDL is not required since we are on private property – Tom Cook has offered to help)

CALIENTE 250

- Up Crover Creek – depends on ability to get under 93 pass – would eliminate speed limit and a lot of the silt
- Main pit on the other side of the highway, like last year
- Instead of going up by the dump, the plan is to go by empty mountain.
- Same mileage, more up in the trees

VII. Old Business:

- Looking for Checkpoint 4 for the SNORE 250
- Clark County Gov website, link to comment on the county lands bill. Contact senators on how you feel, this has to go through the senate. Our new senator will introduce the bill, we need to comment that it is taking away our land

VIII. New Business:

- Camlock Seat Belts - BITD and SCORE now allow Camlock Seat Belts. Racers are starting to run camlocks, and want to know if SNORE is allowing them. Kenny Freeman says we will allow them, but will let racers know how dangerous they can be and inform them and sign a waiver.

Open Floor:

- Volunteer Meeting will be at 7:30PM
- Late tech will be Saturday morning at 7AM, please RSVP at S/F
- KMC Wheels is SNORE's official wheel for 2019. They are going to be doing contingency for us as well.
- Tristen Ervin has gotten in touch with G Force and they are offering discounts on safety equipment for SNORE for the 2019 season as well as be a part of the contingency program

IX. Raffle Winner: N/A

X. Meeting Adjourned: 7:51PM
